PROVEN EXCELLENCE NATIONWIDE

Since 1993 CCI has been supporting institutions through innovative workforce development programs. With over 300 partnerships in 40 states, CCI works with colleges, universities, career schools, high schools, and other institutions to help deliver leading healthcare offerings.

SIMPLE SOLUTIONS TO PROGRAM NEEDS

CCI's partnership model is straightforward – no hidden costs or confusing contracts. We provide you with the tools needed to offer leading healthcare programs with no up-front investment or program development cost.

- A Simple Partnership Arrangement
- Marketing Support
- Qualified Instructor Recruiting
- Innovative Curriculum
- Labs and Hands-On Exercises
- National Certification Exams
- Clinical Externship Support
- A Secure Student Portal Website
- Career Services

CUSTOMIZABLE OPTIONS – DELIVERED THE WAY YOU WANT THEM

Talk to us about how our flexible model provides for the ability to create solutions that meet your workforce development, staff training, or student education needs.

- Classroom (face-to-face) Training
- Online E-learning
- Blended Learning

Given the increasing employment demand for healthcare professionals, enrollment in these programs continues to grow even in this difficult economic environment.
