

For your website, course catalog, advertisements, direct mail.... online programs are easy to advertise.

New online E-Learning Healthcare Courses!

Tyler Junior College - Example announces the availability of our online e-learning healthcare courses from Health Ed Today. These courses are highly interactive and provide students with an enriched learning experience. Each course includes: 24 hour a day instructor support & course mentors; engaging labs, student exercises and course videos; all textbooks, workbooks and student materials; a new "Secure Student Website" – including career resources & other training.

These exciting courses include:

- Pharmacy Technician
- Clinical Medical Assistant
- Dental Assisting
- Phlebotomy Technician
- EKG Technician
- Medical Billing and Coding
- *And many more classes!*

Note: all programs include textbooks, workbooks and students materials. Certain programs **include clinical externships and national certifications.**

Visit us online at <http://www.healthedtoday.com/tjexample> to experience a course demo and to learn more about these exciting new programs!
